BOUNTY REVIEW

HOW TO GET TOKENS OF THE PROJECT FOR FREE

WARNING

This document presents description of the CRYPTOCEAN Bounty campaign, carried out within the framework of ICO stages. Please, familiarize yourself with White Paper of CRYPTOCEAN project, which is primary in relation to this document.

If you have questions on Bounty program or campaign, you can connect with us through the official web-page of the project cryptocean.io or with the Bounty support service, contacts of which are presented below.

ABOUT ICO

CRYPTOCEAN Bounty-campaign -ability to earn tokens of the project without direct investments by the fulfillment of series of actions and conditions, which are presented in this document.

Main options of CRYPTOCEAN ICO project

#	ICO Parameter	Value
1	Public Pre-ICO:	from 15.05.2018 to 24.09.2018
2	Main ICO:	from 25.09.2018 to 25.12.2018
3	CRYPTOCEAN base token	CRON
4	Nominal cost of CRON token	$0,01
5	Total quantity of emitted tokens	10 000 000 000

ABOUT BOUNTY

The CRYPTOCEAN Bounty-campaign is an opportunity to get the project's tokens without making direct investments. The Bounty-campaign will distribute 5% (500 mln) of the total issued amount for the remuneration of the campaign's participants.

The Bounty-campaign for the ICO of the CRYPTOCEAN project is divided into two parts: the Bounty-campaign of the Public Pre ICO and the Bounty-campaign of the Main ICO accordingly (shown in the table below)

The Bounty-campaign starts a week or two before the actual sale of tokens to investors start aiming at warming their interests up and giving them the opportunity to make a conscious decision about investments into the project.

The Bounty-campaign finishes when the corresponding stage of the ICO finishes. After that for one week there is a calculating results process, when participants get their tokens

This approach allows a more detailed and fair evaluation of each participant input of the campaign excluding potential frauds.

Timing and budgets of the Bounty campaigns of the Public Pre ICO и Main ICO

The Bounty-campaign of the Public Pre ICO			The Bounty-campaign of the Main ICO		
#	Indicator	Value	#	Indicator	Value
1	Tokens issues	140 000 000	1	Tokens issues	360 000 000
2	Share in the Bounty	28%	2	Share in the Bounty	72%
3	Start	04.05.2018	3	Start	30.09.2018
4	Finish	24.09.2018	4	Finish	25.12.2018
5	Results	01.10.2018	5	Results	31.12.2018

If not all tokens will be distributed (due to the insufficient number of participants) these tokens will be given at the next stages of the ICO. The Bounty-campaign may finish before the official date if the amount of the tokens allocated for the Bounty-campaign reaches a maximum number.

The tokens are spread in the following way:

- 0,1% (10 mln) of the total number of tokens go to the first 20 000 users, who register themselves on the Personal Account of the Investor. The reward for the registration is 500 CRON tokens;

- 3,6% (360 mln) of the total number of tokens will be given to the Bounty-campaign participants, who promote the project by the bonus/referral programme (the reward is 5% of the purchased amount of tokens by the person you have referred up to 25.12.2018, according to the nominal value of the token, which equals $0,01);

- 0,1% (10 mln) of the total number of tokens will be given to 10 000 participants of the Airdrop-campaign;

- 1,2% (120 mln) of the total number of tokens will be reserved for using in other Bounty-campaign activities (social networks, Investors' Support Service, theme forums, translations etc).

The project team reserves the right to announce additional promo-actions directed at attracting additional token-holders.

BOUNTY REWARDS

The Bounty-campaign participants may receive:

- 500 free tokens for the registration in the Personal Account (the first 20 000);

- 1 000 free tokens for the registration and subscription (AirDrop the first 10 000);

- 5% of the purchased amount of tokens by the person you have referred (by the link you indicated);

- up to 500 tokens/week on Instagram for subscriptions, reposts and project promotion;

- up to 600 tokens/week on Facebook for subscriptions, reposts and project promotion;

- up to 700 tokens/week on Twitter for subscriptions, reposts and project promotion;

- up to 4 000 tokens for writing notes and articles on the relevant portals;

- up to 10 000 tokens on Youtube for making a unique video about the project;

- up to 10 000 tokens/week for moderating project branches on BitcoinTalk;

- up to 30 000 tokens/week on BitcoinTalk for signatures and project promotion;

- up to 50 000 tokens for the translation of the branches and the project materials into different languages.

Check the details of the Bounty campaigns and the types of rewards below.
